About Us

Our interdisciplinary team of experts works closely with all clients and caregivers to create individual care plans. We meet the unique medical, physical, nutritional, cognitive and emotional needs of our diverse client base.

Clinical Staff

Registered Nurse and Licensed Practical Nurse

Our nurses provide on-going monitoring of medical needs including:

- Medication Management • Weight • Blood Sugar Management
- Blood Pressure Monitoring • Oxygen Saturation • Cardiac Status

If needed, nurses can also arrange lab work, podiatry and rehabilitation services.

Certified Nursing Assistants

CNAs assist with meals, ambulation, individual personal care needs and group activities.

Social Services

A **Social Worker** provides supportive services to clients, caregivers, and families alike. Our social worker is a knowledgeable resource utilizing many agencies to provide psychological, medical and supportive services to you and your loved one.

A **Registered Dietician** monitors meal plans and individual dietary needs.

Activity Director and staff coordinate individual and group monthly events, activities and programs ranging from exercise to entertainment, current events to group outings.

Transportation

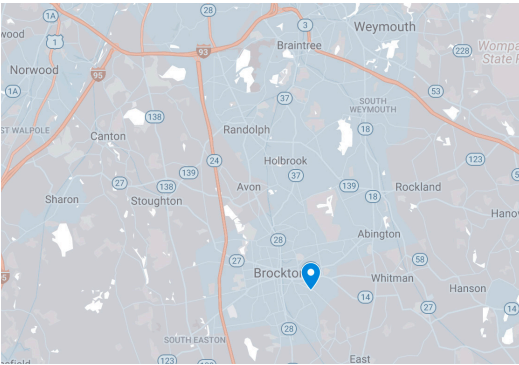

Staff will coordinate safe, dependable transportation with one of several transportation companies if you are unable to provide private transportation.

The cost of Adult Day Health can be covered in several different ways:

St. Joseph Manor Health Care and Mater Dei Adult Day Health have been proudly serving the Brockton community and surrounding cities and towns for over 20 years. We are committed to serving our frail elders, those adults in need of medical care and the disabled. Mater Dei is a non-profit program offering day-time care, over-sight and social and supportive services. Clients benefit from engagement with caring staff and with each other. We provide relief and peace of mind when you need it most.

Mater Dei is a proud member of:

Established just north of Boston, Massachusetts, Covenant Health is an innovative, not-for-profit health system and delivery network and a leader in Catholic values-based health and elder care. Covenant's family of facilities includes three acute care hospitals and boasts 10 post-acute care communities extending from Maine to Pennsylvania as well as a number of physician practice locations.
